

RIOT ON KAUAI**Lihue Plantation Chinamen At-
tack Lunas.****KNIVES AND HATCHETS USED****Trouble Suddenly Stop-
ped by Police.****Mongolians Promise to Return to
Work—Want to be Paid For
Extra Hours.**

Blood was spilled at Lihue planta-
tion on the morning of Friday, April
9th, when a gang of Chinese laborers
attacked several of the lunas with
hatchets and sharp knives, with a re-
sult of quite a number of men wound-
ed and one Chinaman in such a condi-
tion that he is either dead now or will
be soon. From letters and people who
were on the Garden Isle at the time of
the trouble, the following story has
been gathered:

It seems that Lihue plantation has
had considerable trouble of late with
a gang of Chinamen who arrived just
recently from China and who are sup-
posed to have been in Hong Kong
fighting but robbers and cut-throats.

On Thursday morning, April 8th,
about 15 of the number gathered about
the plantation office and complained of
being sick. Upon diagnosing the cases
it was found that laziness was the real
complaint, and that work would prob-
ably be the best cure. They refused to
return to the fields, and were sent to
fall for a short space of time, during
which to meditate.

There was no further trouble on
that day. On Friday, about 6 a. m.,
one of the lunas went to get his gun
to go to the fields, and to distribute the
tools. The Chinamen appeared to be
in a sullen mood, and objected to
the work of clearing the fields or build-
ing the new reservoir. They wanted to
do light work, such as stripping cane
and irrigating. The luna told them
they had no choice whatever in the
matter and must do the work assigned
to them.

At this, one of the Chinamen, pre-
sumably the leader, gave a signal,
which resulted in all the members of
the gang drawing hatchets, knives and
clubs from under their blouses.

An attack was made on the luna, and
in response to his cry for help, he was
joined by five other white lunas. The
whole lot of Chinese, from Hong Kong,
over a hundred in all, now began an
attack upon the lunas, and one of the
Mongolians was shot in the scrim-
mage. Hoffer, the book-keeper, saw
the trouble from his office, and, recog-
nizing the disadvantage the lunas
were laboring under, fired over the
heads of the Chinamen with a revol-
ver, in the hopes of frightening them.
This failed, so he blazed away into
their midst. Matters were in a very
serious condition, and Carl Wolters,
Mueller and two more lunas had been
wounded by the flying knives and
hatchets of the Chinamen.

In the meantime, the police had been
telephoned for, and eight stalwart na-
tive officers, with Deputy Sheriff Con-
ney at the head, dashed into the midst
of the rioters in the thickest of the
fight. Clubs were used freely, and the
Chinamen, surprised by this sudden
onslaught of officers of the law, gave
way gradually and finished by begging
for mercy. Twenty of the leaders were
arrested and jailed; others were car-
ried away badly wounded, and the re-
minder were sent back to work again
in a very much calmer mood than they
had manifested a short time previous.

It looked for a while as if the Citiz-
ens' Guard would have to be called
out, but the police were equal to the
occasion and suppressed the riot in
short order.

About three hours afterwards more
trouble took place in front of the doc-
tor's office, but it was stopped very
promptly. After this the Chinamen
were drawn up in line and the "riot
act" was read to them. They promised
to go back to work and to make no
further trouble. Notwithstanding this
assurance, a guard of police is kept at
the plantation during the night time.

One who is competent to speak on
the matter says that the whole trouble
was a result of the action of Lihue
plantation in making the Chinamen
work more than the prescribed num-
ber of hours without extra pay.

As a general thing, the Chinese la-
borers on the various plantations of the
Islands are quite easily subdued, but
the gang of hard characters at Lihue
showed about the worst fight for their
nationality that has ever been experi-
enced here.

CHRISTIAN WORK.**The Outlook Pays Tribute to That
of Honolulu.**

In the "Religious World" depart-
ment, the Outlook of March 27 pub-
lishes the following: Honolulu is one
of the interesting and active centers
of the world's religious work. Of course
the city is not large, but the quality
of the service is of the best, and there
are certain forms of Christian activity
to be found there which are nowhere
surpassed. The Central Union Church
is practically the cathedral of the city.
Its pastor is the Rev. D. P. Birnie. It
has a membership of 523, forty-six per-
sons uniting with it on profession of
faith during the past year. Three hun-
dred and forty-five families are in at-
tendance at the church. The year's in-
come is not far from \$5,000, and in ad-
dition about \$4,000 is expended for be-
nevolence, to which sum something
over \$1,500 from the Sabbath school
must be added. This Union Church is
the center of work in that city, but
there are many other forms of service
worthy of study. For instance, Mr.

and Mrs. Frank W. Damon have a
wonderful school among the Chinese,
which has averaged during the past
year from 150 to 200. The devotion of
Mr. and Mrs. Damon to their pupils
can hardly be exaggerated, and the
benefit is universally recognized. In
addition there are several chapels
among the natives, in which various
kinds of Christian and philanthropic
work are constantly being carried on.
Those who imagine that the old mis-
sionaries of the Sandwich Islands have
no successors in their children are
greatly mistaken. There is no finer
company of Christians anywhere than
those at Honolulu, and a visit to their
churches, schools, charities and mis-
sionary agencies is a real and lasting
inspiration.

THE STAR OF HAWAII.

We are looking for the coming—
Yes, it is coming bye and bye
To the Gem of the Pacific,
The Star of Hawaii;
In the new dispensation,
In the Isles of Hawaii,
In America's constellation
May she glisten bye and bye.

May her progress be forward,
Her rulers imbued from on high
In wisdom to guide her
To that haven bye and bye,
Where she will shine in the West,
Liberty's monument so grand,
With peace and contentment
Throughout the Island land.

For the progress of nations
Westward trends its way,
And a glorious civilization
Shall shine here bright as day.
The finger of Destiny is pointed,
Civilization's die is cast,
And, Phoenix-like, from her ashes
Shall she rise from a misty past.

Yes, we are waiting for the dawning
Of this the millennium day
Of a grander civilization
That is coming to Hawaii Nei,
And in the new dispensation
In the Isles of Hawaii,
In America's constellation
May she glisten bye and bye.

Howard Hitchcock has some very
beautiful sketches of the Kona coast
which are nearing completion, that will
be enduring laurels to the industrious
artist.

Mr. Ross left Hilo last Monday morn-
ing overland for a trip to the lands of
Sam Parker, to inspect the same with
the view of ascertaining their value
for coffee. These are the lands that
Mr. Desky will subdivide if Mr. Ross'
report is favorable, and it is almost
certain that his report will agree with
those of others who have praised them
very highly.

Mr. Desky has about closed the pur-
chase of fifteen acres on the Volcano
road, this side of the ponds, about one-
half mile from town, and will com-
mence the subdivision of the same into
very reasonable priced holdings. This
will give many people an opportunity
to get a piece of land for a home at
very small investment.

Johnson and Thannum of Oahu, have
cleared and planted 10 acres in coffee,
doing all the work themselves, proving
beyond doubt that the haole can do
any work in connection with coffee
planting.

Captain Staples is building a shoe
shop on the corner of Volcano street
and Peck's road.

Messrs. Dauphy and Howitt are
waiting for Guatemala seed to plant
about 20 acres.

The K. C. Co. have just planted 15
acres with Guatemala coffee from Mr.
Forbes of Kukuhihale.

Mr. Fulcher is clearing 25 acres on
his Mountain View property to be
planted in coffee.

Mr. Krouse has cleared 35 acres to be
planted in Guatemala seed.

Mr. Hamby is clearing 25 acres to be
planted in Guatemala coffee.

Mr. Suter is building a two-story
dwelling on his coffee estate in Upper
Oahu.

The young people of Lower Oahu
have organized a whist club and also
a chess club.

Mr. Zimmerman is clearing 17 acres
more for coffee.

Mr. Supe will clear an additional 10
acres to be planted in coffee.

KAHUNA CUNHA**Portuguese Citizen of Maui Adopts
Ancient Methods.****TROUBLE AT SPRECKELSVILLE****Chinese in Mob Force At-
tack Police.****Teachers Discuss Methods of Dis-
cussion—Leahli Wreck Still
in Evidence.**

MAUI, April 10.—When closely as-
sociated, one race will inevitably as-
similate some of the characteristics of
another. The case in point is that
kahunaism has gained a hold among
the Portuguese of Hawaii nei. On
Friday, the 9th, Joe Cunha, a shipped
man at Hamakua, was fined \$5
and costs by the district magistrate
of Makawao for practicing medicine
without a license.

His patient or rather victim was
Mrs. John Sylva of Makawao, who
suffers much from spells of insanity.
The remedies for the cure of this in-
sanity as used by Cunha were appli-
cations of vinegar and mustard on the
back of the head and on the limbs, the
burning of garlic and weeds inside of
the house, and the scratching of a
knife on a board. The last is used
much for the same purpose as the
Chinese use paper bombs—to frighten
away the devils. "Kahuna" Joe re-
ceived \$32 in all from the husband of
the unfortunate woman.

Cunha practices his incantations
during the late hours of night and
among other mystic accomplishments
he pretends that he has power of caus-
ing cows to give more milk. In this
case his "modus operandi" is to kneel
beside the animal under whose nose
a bunch of weeds is burning and pray
long and earnestly.

Fourteen police under Deputy Sheriff
Scott made a raid upon some Chinese
gamblers Friday night at Camp 5,
Spreckelsville. They captured nine
and placed them under guard in a
room in one of the houses. Then the
gong sounded, and a mob of Chinese
(several hundred of them so it is re-
ported) armed with hoes and sticks
made an attack upon the house for
the purpose of rescuing their friends.
Some of the police immediately jump-
ed on their horses and with black-
snake whips dispersed the excited
crowd. Several of the attacking party
bore marks of the whips on their faces.
It is rumored that several shots were
fired by the police but no one was in-
jured.

Monday afternoon, the 5th, the
monthly meeting of Makawao teachers
was held in the Makawao school house.
D. D. Baldwin, presiding. Inspector-
General Townsend gave an instructive
discourse upon methods of conducting
teachers' meetings and Mrs. Townsend
explained perception in a most in-
teresting way. There were 24 in at-
tendance. Mr. Townsend stated that
probably Col. Parker would be present
at the summer school to be held in
Honolulu in '98.

Mr. and Mrs. Townsend returned to
Hilo by Tuesday's Kinau.
The April meeting of the Makawao
Literary Society will take place at
the residence of Mr. and Mrs. D. D.
Baldwin of Hilo during the evening
of the 16th inst.

Wednesday, the 7th, W. H. King of
Waikiki celebrated the 75th anniver-
sary of his birth by a luncheon.

The ladies of the Thursday Club
discussed Rudyard Kipling at the re-
sidence of Mrs. B. D. Baldwin of Ha-
makua, Thursday afternoon.

W. G. Ogg of Makawao has been the
guest of J. W. Colville of Paia, re-
cently.

The gentlemen bagged 51 plover
on Friday in the vicinity of Kapalaia,
Makawao.

A piece of the Leahli's stern still
decorates the reef to the windward of
the harbor—"simply this and nothing
more."

Weather—A shower Friday moist-
ened the dry earth a trifle.

ORDINANCE WANTED.**To Prevent Chinamen From Us-
ing Mouth Spray.**

An effort is being made by persons
here to establish a steam laundry, to
be conducted entirely by white men
and women. The advantages of such
a place to persons who send their
clothing to laundries are manifold,
and not the least is the fact that the
dangers of transmitting disease
through the filthy spraying custom
would be reduced to a minimum.

In San Francisco, recently, the
Board of Health passed an ordinance
prohibiting the Chinese laundrymen
from spraying clothes with their tips.
A few days later there was a whole-
sale raid in the Western Addition,
and nearly every laundryman was
locked up.

It is suggested, in view of the step
taken by the San Francisco Board of
Health, that the authorities here
make an ordinance of the same na-
ture.

The Rev. W. H. Weaver pastor of the
U. B. Church, Dillsburg, Pa., recog-
nizes the value of Chamberlain's
Cough Remedy, and does not hesitate
to tell others about it. "I have used

says, "and find it an excellent medi-
cine for colds, coughs and hoarseness."
So does everyone who gives it a trial.

Tonic, it assists the process of
digestion, stimulates the sluggish
liver, strengthens the nerves, and
builds up the body when debilitated
by excessive fatigue or wasting
illness. Physicians everywhere con-
sider Ayer's Sarsaparilla the best. It
is a skillfully-prepared combination
of the most powerful alteratives and
tonics. No other blood-purifier gives
equal satisfaction or is so universally
